Thank you for your request to the Welsh Government for information under the Freedom of Information Act (2000) received on 23 April. You requested the following:

To confirm the date the peer review was drawn to the attention of the First Minister Mark Drakeford, to inform Welsh Government policy

Our response

The Technical Advisory Cell provides coordination of scientific and technical advice to support Welsh Government decision makers during emergencies. Therefore, although not formally presented to the First Minister, I am able to confirm that the peer review paper was forward to the Technical Advisory Cell for consideration on 23 April 2021.
