Dear

Request for Information – ATISN 15200

I wrote to you on 14 June regarding your request for information.

Information requested

You asked for:

1. The designs/images of road signs on roads for which the Welsh Government or its agents are responsible for, which refer to Senedd Cymru, the Welsh Parliament or the Senedd
2. The locations of these road signs

Our Response

I can confirm that the Welsh Government holds information captured by your request. For question one, the information we hold are the Welsh Government Senedd Cymru “as constructed” drawings which are appended at Annex A.

For question two, there are two new replacement Senedd Cymru signs on the M4. The eastbound sign replacement is located within the cutting alongside the M4 with a row of residential properties located to the North of the sign, and the town of Brynsadler to the Northwest. The westbound sign replacement is located behind the current VRS barrier and situated within the embankment, to the south of the sign is the Celtic Springs Business park.
