Dear _____,

ATISN 16916 - Retrospective payment for survey work undertaken prior to the launch of the Welsh Building Safety Fund

Information requested

Thank you for your request, which we received on 30 November 2022. You asked:

1. How much money has been released to date to reimburse residents, building owners or managing agents who paid for survey work undertaken prior to the launch of the Welsh Building Safety Fund.
2. A breakdown of the funding to show how much has been allocated to the private residential sector and residential social landlords.

Our response

To date, we have received a total of 14 applications for retrospective payment for surveys undertaken prior to the launch of the Welsh Building Safety Fund.

We have received relevant documentation from four of the applicants which is currently being assessed. We are awaiting further evidence from ten applicants to progress their applications.

Once all evidence has been received, we will be in a position to analyse the evidence and reimburse survey costs, subject to eligibility criteria being met. No funding has been allocated to date.
