Jeremy Miles MS  
Minister for Education and Welsh Language

Dear Minister

### **Reorganisation of Swansea Valley Schools**

As you will be aware, the Authority has been conducting a review of the original Swansea Valley Schools proposal.

Officers of the Authority will be in contact with your department to discuss aspects of process, but I wish to request a meeting with Ministers to examine the options and outcomes of the recent consultation, as a number of responses and alternative proposals have been raised from the communities affected.

We would also wish to discuss the potential funding implications/options and how Welsh Government can support our endeavours to obtain the best outcome for the communities.

The meeting would be with myself as Leader, Deputy Leader and relevant Cabinet member.

I am mindful the meeting request may require referring to another Minister, but would appreciate your consideration as to the most appropriate arrangement.

Yours faithfully

---

**Leader of the Council**
