Dear

Request for information - ATISN 17517

I wrote to you on 9 June regarding your request for information.

Your request

You asked for the following information:

1. What is the proposed timeline for work on the A469 near Troedrhiwfuwch which runs between New Tredegar and Pontlottyn?
2. How much will this project cost?

Our Response

I can confirm that we hold the information you have requested.

For question one, Caerphilly County Borough Council is the responsible highway authority for the work on the A469 near Troedrhiwfuwch which runs between New Tredegar and Pontlottyn. It was a scheme that received Welsh Government grant funding via the Resilient Roads Fund and was then subject to the Roads Review. The detailed design and WelTAG Stage 3 work is planned for 2023-24. The construction phase is planned for 2024-25 and 2025-26.

For question two, the projected total scheme cost is £15,836,900.
