Questions

Q4. Q1. Should the additional days granted by Class A of Part 4A be retained permanently, permitting temporary uses to take place for up to 56 days (28 days for specified uses) in a calendar year?

No

Comments:

Pop up campsites inconvenience locals, encourage traffic to unsuitable roads scar the landscape and cause litter problems. Inadequate toilet facilities encourage defecation in fields and lanes.

Q5. Q2. Do you have any evidence as to any benefits and impacts as a result of introducing the additional number of days for temporary uses to take place since April? If yes, please specify.

Yes

Comments:

I've seen the mess, experienced delays on narrow roads and am highly aware of the negative visual impact.

Q6. Q3. Do you have views on whether there should be additional restrictions on the use of this PDR to mitigate against potential impacts of making this permanent? If yes, please specify.

Yes

Comments:

30 days is quite long enough. Last year's extension was a disaster in this valley. I do not want it made permanent.

Q7. Q4. Should the number of days for holding a market generally be extended? If Yes, what is an acceptable number of days for holding a market? What conditions should apply to manage the planning impacts?

Q20. Q17. We would like to know your views on the effects of the proposals would have on the Welsh language, specifically on opportunities for people to use Welsh and on treating the Welsh language no less favourably than English.

What effects do you think there would be? How could positive effects be increased, or negative effects be mitigated?

Tourism does nothing to promote the Welsh language.
