Questions

Q4. Q1. Should the additional days granted by Class A of Part 4A be retained permanently, permitting temporary uses to take place for up to 56 days (28 days for specified uses) in a calendar year?

No

Comments:

As overseas travel has now resumed the demand for campsites in Wales will reduce to more 'normal' levels

If 'pop up campsites' are allowed it will jeopardise the lawful campsite's trade and livelihood

This would be unfair competition with licensed campsites having to comply with model standards and obtaining

necessary insurances and abiding by safety requirements

If this does go ahead and does affect existing businesses this will then contribute to loss of employment for employees of those existing businesses
