19 June 2024

Dear ,

Request for Information - ATISN 19622

I wrote to you on 31 May 2024 regarding your request for information.

You asked for the following information:

1. Any confirmed road closures within 20 miles of Cardiff Airport between the months of June and December 2024, including the roads affected and dates the closure will be in place.
2. Any planned closures within 20 miles of Cardiff Airport between the months of June and December 2024, including the roads planned to be affected and the proposed dates the closures will be in place (if known).

Our response:

As advised in my acknowledgement letter to you we only hold information for roads for which the Welsh Government are responsible. In this case the roads falling within the 20 mile radius are: M4 Jt27 to Jt38, A470 Cardiff to Aberfan, A48M and the A4232 from Jt34 M4 to Culverhouse Cross.

You can find details of all strategic road network planned road works and road closures on our Traffic Wales website [Road map | Traffic Wales](#) . This is kept updated with the latest information.

For ease I attach a spreadsheet of the actual and future planned closures on the above stated roads as known at present.
