Alternative Provider Medical Services Contract for Wales

This document is only a template and is based on an earlier APMS template with updates to reflect the National Health Service (General Medical Services Contracts) (Wales) Regulations 2023 (as amended) and the Alternative Provider Medical Services (Wales) Directions 2024 (the “APMS Directions”). The LHB must ensure (after taking legal advice and tailoring this template appropriately) that this document is correct/compliant, complete and reflects the LHB’s intentions. LHBs should also note that:

- although certain provisions are highlighted or marked for review (see below) or shown in square brackets the LHB must check / tailor all aspects of this template;
- the LHB must check that the clauses (and clause numbering and cross-references) throughout this template are correct; and
- the LHB must ensure all square brackets are removed once the text within them has been checked / tailored.

Key to highlighting (other than in relation to Schedule 1, as to which see the drafting note at the start of that schedule):

- Provisions that are required (except in prison settings) if the Contract includes unified services (but see comments below about the scope to impose a higher standard of performance)
- Provisions that exceed the minimum mandatory requirements and, where relevant/appropriate, are recommended for inclusion in the Contract (but need to be reviewed and can be relaxed / tailored / deleted providing the minimum requirements in the APMS Directions are met)
- Provisions that exceed the minimum mandatory requirements but are optional or contain placeholder text only (so need to be reviewed / tailored (and where appropriate relaxed / deleted) providing the minimum requirements in the APMS Directions are met)
- Areas/topics that need to be covered in the contract but where the form of words is not mandated (so need to be reviewed and can be tailored providing the minimum requirements in the APMS Directions are met/exceeded) – but please note that if the related clause headings are in blue those areas/topics are only required if unified services are being provided
- Provisions that are required where they are relevant (but see comments below about the scope to impose a higher standard of performance)
- Provisions that are not highlighted are required in all contracts (but see comments below about the scope to impose a higher standard of performance)

In accordance with direction 2 of the APMS Directions, the provisions can be amended where the changes mean either: i) the Contractor is required to deliver a higher level of performance; ii) the contract imposes more onerous obligations on the APMS contractor; or iii) the LHB has additional or enhanced rights or remedies, than is required by the APMS Directions.

BACKGROUND

- A. The LHB is a statutory body established by orders made pursuant to section 11 of *the Act*. It is the duty of the LHB to exercise its powers so as to provide or secure the provision of *primary medical services* within its area.
- B. In order to achieve this objective, the LHB is empowered under Part 4 of *the Act* to enter into an alternative provider medical services contract (such contract needing to be compliant with *the APMS Directions* made under that Part of *the Act*).
- C. The LHB and the Contractor wish to enter into an alternative provider medical services contract under which the Contractor is to provide *primary medical services* and other services in accordance with the provisions of this Contract.

In consideration of the mutual covenants and undertakings set out below THE PARTIES AGREE as follows:

PART 1

STATUS OF THE CONTRACT

1. The Contractor has [not] elected to be regarded as a *health service body* for the purposes of section 7 of *the Act* pursuant to a *GMS contract*. Accordingly, this Contract is [not] an *NHS contract*.

COMMENCEMENT AND DURATION OF THE CONTRACT

2. This Contract shall commence on [DATE] and, subject to clause 3, shall terminate on [DATE] (the "Expiry Date") unless terminated earlier in accordance with Part 18.
3. The LHB may, no later than [nine (9) months] prior to the *Expiry Date*, serve notice on the Contractor to extend the *Term* of the Contract by a maximum of [one (1) year] and the *Expiry Date* shall then be extended accordingly.
4. The Parties shall comply with the Service Mobilisation and Transition Plans contained in Schedule 3.

PART 2

PROVISION OF SERVICES

5. The Contractor shall provide the *Services* during the *Term* in accordance with, and subject to, the provisions of the Contract.

Access

6. The Contractor shall:

6.1 have a telephone system with a recording function for incoming and outgoing lines, that stacks calls and allows for the analysis of call data;

6.2 have a telephone introduction message recorded bilingually in Welsh and English that in total lasts no longer than 2 minutes;

6.3 ensure that patients and *care homes* can order *repeatable prescriptions* digitally;

6.4 for the duration of *core hours*, ensure that patients can digitally request a non-urgent appointment or a call back, and that the necessary governance arrangements are in place for this process;

6.5 publicise information via the *practice's online resource* on:

6.5.1 the access requirements specified in this clause 6; and

6.5.2 how patients can:

A. access the Contractor's *Services*; and

B. request an urgent, routine and advanced consultation;

6.6 offer a same day consultation for:

6.6.1 children under 16 with acute presentations; and

6.6.2 patients clinically triaged as requiring an urgent assessment;

6.7 offer pre-bookable appointments to take place during *core hours*; and

6.8 actively signpost patients to appropriate services:

6.8.1 available from the members of the Contractor's *cluster*;

6.8.2 provided or commissioned by the LHB; or

6.8.3 available locally or nationally.

7. The Contractor shall self-declare quarterly that the requirements in clause 6 have been met and if requested be prepared to provide the evidence to the LHB as required.

Attendance at practice premises

8. Subject to clause 9, the Contractor shall take steps to ensure that any patient who:

8.1 has not previously made an appointment; and

8.2 attends at the *practice premises* for *unified services* between 8.30am and 6.00pm on a *working day*

is provided with such services by an appropriate *health care professional* on that day.

9. Clause 8 does not apply where:

9.1 it is more appropriate for the patient to be referred elsewhere for services under *the Act*; or

9.2 the patient is then offered an appointment to attend again within a time which is appropriate and reasonable having regard to all the circumstances and the patient's health would not thereby be jeopardised.

Attendance outside practice premises

10. Where the medical condition of the patient is such that, in the reasonable opinion of the Contractor, attendance on the patient is required and it would be inappropriate for the patient to attend at the *practice premises*, the Contractor shall provide *Services* to that patient at whichever of the following places is in the Contractor's judgement the most appropriate:

10.1 the place recorded in the patient's medical records as being the patient's last home address;

10.2 such other place as the Contractor has informed the patient and the LHB is the place where the Contractor has agreed to visit and treat the patient; or

10.3 another place in the Contractor's *practice area*.

11. Nothing in this clause or clause 10 prevents the Contractor from:

11.1 arranging for the referral of a patient without first seeing the patient, in any case where the patient's medical condition makes that course of action appropriate;

or

11.2 visiting the patient in circumstances where this clause or clause 10 does not place the Contractor under an obligation to do so.

Newly registered patients

12. Where a patient has been accepted on the *Contractor's list of patients* or assigned to that list by the LHB, the Contractor shall invite the patient to participate in a consultation either at the Contractor's *practice premises* or, if the patient's medical condition so warrants, at one of the places referred to in clause 10. Such an invitation shall be issued within six months of the date of the acceptance of the patient on, or their assignment to, the *Contractor's list of patients*.

13. Where a patient (or, where appropriate, in the case of a patient who is a *child*, the *child's parent*) agrees to participate in a consultation referred to in clause 12 above, the Contractor shall, during the course of that consultation:

13.1 make such inquiries and undertake such examinations as appear to the Contractor to be appropriate in all the circumstances; and

13.2 for all newly *registered patients* who have attained the age of 16 years, with the co-operation of the patient, complete the latest version of the national minimum dataset questionnaire issued by the Welsh Ministers in order to secure health screening information.

14. Nothing in clauses 12 or 13 affects the Contractor's other obligations under the Contract in respect of that patient.

Patients not seen within 3 years

15. Where a *registered patient* who:

15.1 has attained the age of 16 years but has not attained the age of 75 years;

15.2 requests a consultation with the Contractor; and

15.3 has not attended either a consultation with, or a clinic provided by, the Contractor within the period of 3 years prior to the date of the request, the Contractor shall:

15.4 provide the patient with a consultation; and

15.5 during that consultation make such inquiries and undertake such examinations of the patient as the Contractor considers appropriate in all the circumstances.

16. Nothing in clause 15 affects the Contractor's other obligations under the Contract in respect of that patient.

Patients aged 75 years and over

17. Where a *registered patient* who requests a consultation:

17.1 has attained the age of 75 years; and

17.2 has not participated in a consultation within the year prior to the date of the request,

the Contractor shall provide such a consultation during which it shall make such inquiries and undertake such examinations as it considers appropriate in all the circumstances.

18. A consultation under clause 17 shall take place in the home of the patient where, in the reasonable opinion of the Contractor, it would be inappropriate, as a result of the patient's medical condition, for the patient to attend at the *practice premises*.

19. Nothing in clauses 17 or 18 affects the Contractor's other obligations under the Contract in respect of that patient.

Quality Standards for *out of hours services*

20. [Where the Contractor provides *out of hours services* under this Contract the Contractor will (to the extent that they are relevant to the provision of the *Services*) meet the latest standards and quality indicators set out in guidance issued from time to time by the Welsh Government.]

Level of skill and compliance with pathways

21. The Contractor shall, and the Contractor shall ensure that those it employs or engages shall:

21.1 carry out the Contractor's obligations under the Contract with reasonable care and skill (including, where appropriate, such level of care and skill as would be expected from a competent professional carrying out the relevant obligation) and in any event in accordance with *good practice*; and

21.2 consider the application of national condition pathways relevant for each patient.

Premises, facilities and equipment

22. The address of each of the *practice premises* (other than the homes of patients or any other premises where *Services* are provided on an emergency basis) to be used by the Contractor or any sub-contractor for the provision of *Services* under the Contract is specified in Part 1A of Schedule 4.
23. Subject to any plan which is included in the Contract pursuant to clause 24, the Contractor shall ensure that *practice premises* used for the provision of the *Services* under the Contract:
- 23.1 are suitable for the delivery of those *Services*;
- 23.2 are sufficient to meet the reasonable needs of the Contractor's patients; and
- 23.3 meet or exceed the minimum standards set out in directions issued by the Welsh Ministers under *the Act* (as if, for these purposes only, the Contractor is a *GMS contractor* and the Contract is a *GMS contract*).
24. [Where, on the date on which the Contract was signed, the LHB is not satisfied that all or any of the *practice premises* specified in clause 22 met the requirements set out in clause 23, the LHB and the Contractor have together drawn up a plan (contained in Part 1B of Schedule 4 to this Contract) which specifies:
- 24.1 the steps to be taken by the Contractor to bring the *premises* up to the relevant standard;
- 24.2 any financial support that is available from the LHB; and
- 24.3 the timescale in which such steps will be taken.
25. The Contractor shall comply with the plan specified in clause 24 and contained in Part 1B of Schedule 4 to this Contract as regards the steps to be taken by the Contractor to meet the requirements in clause 23 and the timescale in which those steps will be taken.]
26. The Contractor shall provide such facilities and equipment as are necessary to enable it properly to perform the *Services*.

Loaned Equipment

27. The Contractor shall satisfy itself that any *Loaned Equipment* (including without limitation that listed in Annex 1 to Part 2 of Schedule 4) is suitable for the purpose intended and the provisions of Part 2 of Schedule 4 shall apply accordingly.

Telephone services

28. The Contractor shall not be a party to any contract or other arrangements under which the number for telephone services to be used by:

28.2 any other person to contact the *practice* in relation to services provided as part of the *health service*,

starts with the digits 084, 087, 090 or 091 or consists of a *personal number*, unless the service is provided free to the caller.

29. The Contractor shall ensure that its telephone lines are:

29.1 staffed for the duration of *core hours*, unless any agreement has been reached between the LHB and the Contractor pursuant to paragraph 14 of Part A of Schedule 2 which allows the use of an answer phone message for temporary periods; and

29.2 answered by appropriately qualified members of the Contractor's staff that are located within the United Kingdom.

Cost of relevant calls

30. The Contractor must not [be a party to or] enter into, renew or extend a contract or other arrangement for telephone services unless it is satisfied that, having regard to the arrangement as a whole, persons are not going to have to pay more to make relevant calls to the Contractor's *practice* than they would to make equivalent calls to a geographical number.

31. For the purpose of clause 30:

(a) "geographical number" means a number which has a geographical area code as its prefix;

(b) "relevant calls" means calls:

(i) made by patients to the Contractor's *practice* for any reason related to services provided under the Contract; and

(ii) made by persons, other than patients, to the *practice* in relation to services provided as part of the *health service*.

Clinical reports

32. Where the Contractor provides any *clinical services*, other than under a private arrangement, to a patient who is not on its list of patients, the Contractor shall, as soon as reasonably practicable, provide a clinical report relating to the consultation, and any treatment provided to the patient, to the LHB.
33. The LHB must send any report received under clause 32:
- 33.1 to the person with whom the patient is registered for the provision of *unified services* or their equivalent; or
- 33.2 if the person referred to in clause 33.1 is not known to it, the *Local Health Board, Health Board, Integrated Care Board* or *Health and Social Services Board* in whose area the patient is resident unless it is the LHB.
34. Clauses 32 and 33 do not apply to *out of hours services* provided by the Contractor.

Storage of vaccines

35. The Contractor shall ensure that:
- 35.1 all vaccines are stored in accordance with the manufacturer's instructions; and
- 35.2 all refrigerators in which vaccines are stored have a maximum/minimum thermometer and that temperature readings are taken on all *working days*. Such readings must be recorded in a maintenance log and an immediate response initiated (within agreed *practice* opening hours) if readings are outside the acceptable range. The maintenance log must be available for inspection at the relevant premises by the LHB at any time.

Infection control

36. The Contractor shall ensure that it has appropriate arrangements for infection control and decontamination.

Duty of co-operation in relation to *supplementary services*

37. If the Contractor is not, pursuant to the Contract, providing to its *registered patients* or to persons whom it has accepted as *temporary residents* a particular *supplementary service* the Contractor shall comply with the requirements specified in clause 38.
38. The requirements specified in this clause 38 are that the Contractor shall in *core hours*:

38.1 co-operate, insofar as is reasonable, with any person responsible for the provision of that service or those services; and

38.2 comply with any reasonable request for information from such a person or from the LHB relating to the provision of that service or those services.

39. Nothing in clauses 37 and 38 shall require the Contractor (if it is not providing *out of hours services* under the Contract) to make itself available during the *out of hours period*.

40. If the Contractor ceases to provide a *supplementary service* to its patients the Contractor shall comply with any reasonable request for information relating to the provision of that service, or those services, made by the LHB or by any person with whom the LHB intends to enter into a contract for the provision of such services.

Duty of co-operation in relation to *out of hours services*

41. The Contractor shall:

41.1 ensure that any patient who contacts the Contractor's *practice premises* during the *out of hours period* is provided with information about how to obtain services during that period;

41.2 ensure that the clinical details of all out of hours consultations received from the out of hours provider are reviewed by a clinician within the Contractor's *practice* on the same *working day* as those details are received by the *practice* or, exceptionally, on the next *working day*;

41.3 ensure that any information requests received from the out of hours provider in respect of any out of hours consultations are responded to by a clinician within the Contractor's *practice* on the same day as those requests are received by the Contractor's *practice*, or on the next *working day*;

41.4 take all reasonable steps to comply with any systems which the out of hours provider has in place to ensure the rapid, secure and effective transmission of patient data in respect of out of hours consultations; and

41.5 agree with the out of hours provider a system for the rapid, secure and effective transmission of information about *registered patients* who, due to chronic disease or terminal illness, are predicted as more likely to present themselves for treatment during the *out of hours period*.

Private services

42. Where the Contractor proposes to provide *private services* in addition to *primary medical services* to persons other than its patients, the provision of such *private services* must take place:

42.1 outside of the hours the Contractor has agreed to provide *primary medical services*; and

42.2 on no part of any *practice premises* in respect of which the LHB has agreed with the Contractor to make payments in relation to the costs of those *practice premises*.

46. The Contractor shall encourage the wearing of a badge, provided by the LHB, by those delivering medical services under the Contract who are Welsh speaking, to convey that they are able to speak Welsh.
47. The Contractor shall encourage those delivering medical services under the Contract to utilise information and/or attend training courses and events provided by the LHB, so that they can develop:
 - 47.1 an awareness of the Welsh language (including awareness of its history and its role in Welsh culture); and
 - 47.2 an understanding of how the Welsh language can be used when delivering medical services under the Contract.
48. The Contractor shall encourage those delivering medical services under the Contract to establish and record the Welsh or English language preference expressed by or on behalf of a patient.

57.2 *temporary residents*;

57.3 persons to whom the Contractor is required to provide immediately necessary treatment under paragraphs 7 and 9 of Part A of Schedule 2; and

57.4 any other person to whom the Contractor has agreed to provide services under the Contract (including, but not limited to, any persons, or categories of persons, specified in Parts [], [C] and [D] of Schedule 2).

Patient registration area

58. The area in respect of which persons resident in it will, subject to any other terms of the Contract relating to patient registration, be entitled to register with the Contractor, or seek acceptance by the Contractor as a *temporary resident*, is specified in [Part E] of Schedule 2.

List of patients

59. The *Contractor's list of patients* is [open/closed].

60. The LHB shall prepare and keep up to date a list of the patients:

60.1 who have been accepted by the Contractor for inclusion in its list of patients under clauses 62 to 72 and who have not subsequently been removed from that list under clauses 82 to 118; and

60.2 who have been assigned to the Contractor under:

60.2.1 [clause 141.1]; or

60.2.2 [clause 141.2] [which has not subsequently been overturned by a determination by the Welsh Ministers or by a court].

61. The Contractor shall, upon receipt of a reasonable written request from the LHB:

61.1 take appropriate steps (including, but not limited to, contacting patients where reasonably necessary to confirm that their patient data is correct) as soon as is

Application for inclusion in a list of patients

62. Unless clause 76 applies, the Contractor must, if its list of patients is *open*, accept an application for inclusion in its list of patients made by or on behalf of any person, whether or not resident in its *practice area* or included, at the time of that application, in the list of patients of another *GMS contractor* or provider of *primary medical services*.

63. The Contractor may, if its list of patients is *closed*, only accept an application for inclusion in its list of patients made by or on behalf of a person who is an *immediate family member of a registered patient* whether or not that person is resident in the Contractor's *practice area* or included, at the time of that application, in the list of patients of a *GMS contractor* or provider of *primary medical services*.

67.1 include the applicant in the *Contractor's list of patients* from the date on which the notice is received; and

67.2 if it is the first time the applicant has been accepted as a *registered patient* by (or assigned by a *Local Health Board* to) a *GMS contractor* or *APMS contractor*, give notice in *writing* of that acceptance to the applicant (or, in the case of a *child* or an adult who lacks capacity, the person making the application on their behalf).

Inclusion in list of patients: armed forces personnel

68. Unless clause 76 applies, the Contractor must, if its list of patients is *open*, include a person to whom clause 69 applies in that list for a period of up to 2 years and clause 110.2 does not apply in respect of any person who is included in the *Contractor's list of patients* by virtue of this clause.

69. This clause applies to a person who is:

69.1 a *serving* member of the *armed forces of the Crown* who has received written authorisation from Defence Medical Services to receive *primary medical services* from the Contractor's *practice*; and

71.2 update the patient's medical record, or summary of that record, and return it to Defence Medical Services.

Temporary residents

87.2 subject to clause 88, notify the patient in *writing* of its specific reasons for requesting their removal.

88. 93. The Contractor shall keep a written record of removals under clause 87 which shall include the reason for removal, the circumstances of the removal and in cases where clause 88 applies, the grounds for a more specific reason not being appropriate, and the Contractor shall make this record available to the LHB on request.

127. The LHB may consult such persons as it appears to the LHB may be affected by the closure of the *Contractor's list of patients*, and if the LHB does so, the LHB must provide the Contractor with a summary of the views expressed by those consulted in respect of the Application.

128. The LHB must enable the Contractor to consider and comment on all the information before the LHB makes a decision in respect of the Application.

129. The Contractor may withdraw its Application at any time before the LHB makes a decision in respect of that Application.

134. The closure notice must include:

134.1 the period of time for which the *Contractor's list of patients* is to be closed which must be:

134.1.1 the period specified in the application to close the list of patients; or

134.1.2 in the case where the LHB and Contractor have agreed in *writing* a different period, that different period,

140.1 a person as a new patient to the *Contractor's list of patients* where that person:

143. The circumstances specified in this clause 143 are where:

143.1 the *assessment panel* has determined under paragraph 45(7) of Schedule 3 to *the Regulations* that new patients may be assigned to the Contractor, and that determination has not been overturned either by a determination of the Welsh Ministers under paragraph 46(13) of Schedule 3 to *the Regulations* or (where applicable) by a court; and

143.2 the LHB has entered into discussions with the Contractor regarding the assignment of new patients if such discussions are required under clauses 152 to 154.

144.4 whether, during the preceding period of 6 months starting on the date on which the application for assignment is received by the LHB, the patient has been removed from a list of patients on the grounds referred to in:

144.4.1 paragraph 29 of Schedule 3 to *the Regulations* (removal from the list at the request of the Contractor);

144.4.2 paragraph 30 of Schedule 3 to *the Regulations* (removal from the list of patients who are violent); or

144.4.3 the equivalent provisions to those clauses in relation to arrangements made under section 41(2) of *the Act*,

144.5 in a case to which clause 144.4.2 (or the equivalent provisions mentioned in clause 144.4.3) applies, whether the Contractor has appropriate facilities to deal with such patients; and

144.6 such other matters as the LHB considers relevant.

Assignments to closed lists: composition and determinations of the assessment panel

145. If the LHB wishes to assign a new patient to the Contractor where the *Contractor's list of patients* is *closed*, it must prepare a proposal to be considered by the *assessment panel*.

146. The LHB must give notice in *writing* that it has referred the matter to the *assessment panel* to:

146.1 *primary medical services contractors*, including those contractors who provide *primary medical services* under arrangements made under section 41(2) of *the Act*, which:

146.1.1 have *closed* their list of patients; and

146.1.2 may, in the opinion of the LHB, be affected by the determination of the *assessment panel*; and

146.2 *the Local Medical Committee* (if any) for the area in which the contractors referred to in clause 146.1 provide *unified services* (or their equivalent).

147. The LHB must ensure that the *assessment panel* is appointed to consider and determine the proposal made under clause 145, and the composition of the *assessment panel* must be as described in clause 148.

148. The members of the *assessment panel* must be:

148.1 the Chief Executive of the LHB;

148.3 a person representative of a *Local Medical Committee* which does not represent practitioners in the area of the LHB.

Assignments to closed lists: NHS dispute resolution procedure relating to determinations of the assessment panel

149. Where the *assessment panel* makes a determination in accordance with paragraph 45(7) of Schedule 3 to *the Regulations* that the LHB may assign new patients to *primary medical services contractors* which have closed their lists of patients, and the Contractor is specified in that determination, the Contractor may refer the matter to the Welsh Ministers to review the determination.

150. Where, pursuant to clause 149, the Contractor wishes to refer the matter to the Welsh Ministers either by itself or jointly with other *primary medical services contractors* specified in the determination of the *assessment panel*, it must, either by itself or together with the other *primary medical services contractors*, within the period of 7 days beginning with the date of the determination of the *assessment panel*, send to the Welsh Ministers a written request for dispute resolution which shall include or be accompanied by:

150.1 the names and addresses of the parties to the dispute;

150.2 a copy of the Contract (or contracts); and

150.3 a brief statement describing the nature of and circumstances giving rise to the dispute.

151. Where a matter is referred to the Welsh Ministers in accordance with paragraph 46 of Schedule 3 to *the Regulations*, it shall be reviewed in accordance with the procedure specified in that paragraph.

153. In the discussions referred to in clause 152, both Parties shall use reasonable endeavours to reach agreement.

154. The requirement in clause 152 to enter into discussions applies:

154.1 to the first assignment of a patient to the Contractor; and

154.2 to any subsequent assignment to the Contractor to the extent that it is reasonable and appropriate having regard to the numbers of patients who have been or may be assigned to it and the period of time since the last discussions under clause 152 took place.

PART 6

PRESCRIBING AND DISPENSING

155. The Contractor shall comply (as if, for these purposes only, this Contract is a *GMS contract* and the Contractor is a *GMS contractor*) with any directions given by the Welsh Ministers for the purposes of section 46 of *the Act* as to the drugs, medicines or other substances which may or may not be ordered for patients in the provision of medical services under the Contract.

Prescribing

156. The Contractor shall ensure that:

156.1 any *prescription form* or *repeatable prescription* for drugs, medicines or *appliances* issued by a *prescriber*; and

156.2 any *home oxygen order form* issued by a *health care professional*,
complies as appropriate with the requirements in this Part 6.

157. In this Part, a reference to “drugs” includes contraceptive substances and a reference to “appliances” includes contraceptive appliances.

Orders for drugs, medicines and appliances

158. Subject to clauses 159 and 161 and to the restrictions on prescribing in clauses 195 to 206 a *prescriber* shall order any drugs, medicines or *appliances* which are needed for the treatment of any patient who is receiving treatment under the Contract by:

158.1 issuing to the patient a *non-electronic prescription form* or *non-electronic repeatable prescription* completed in accordance with clause 163; or

158.2 creating and transmitting an *electronic prescription* in circumstances to which clause 171 applies

and a *non-electronic prescription form*, *non-electronic repeatable prescription* or *electronic prescription* that is for *health service* use must not be used in any other circumstances.

159. If, on a particular occasion when a drug, medicine or *appliance* is needed as mentioned in clause 158:

159.1 the *prescriber* is able, without delay, to order the drug, medicine or *appliance* by means of an *electronic prescription*;

159.2 the *Electronic Prescription Service* software that the *prescriber* would use for that purpose provides for the creation and transmission of *electronic prescriptions* without the need for a *nominated dispenser*; and

159.3 none of the reasons for issuing a *non-electronic prescription form* or a *non-electronic repeatable prescription* given in clause 160 apply,

the *prescriber* must create and transmit an *electronic prescription* for that drug, medicine or *appliance*.

160. The reasons given in this clause are:

160.1 although the *prescriber* is able to use the *Electronic Prescription Service*, the *prescriber* is not satisfied that:

160.1.1 the access that the *prescriber* has to the *Electronic Prescription Service* is reliable; or

160.1.2 the *Electronic Prescription Service* is functioning reliably;

160.2 the patient, or where appropriate the patient's *authorised person*, informs the *prescriber* that the patient wants the option of having the prescription dispensed elsewhere than in Wales; or

160.3 the patient, or where appropriate the patient's *authorised person*, insists on the patient being issued with a *non-electronic prescription form* or a *non-electronic repeatable prescription* for a particular prescription and in the professional judgement of the *prescriber* the welfare of the patient is likely to be in jeopardy unless a *non-electronic prescription form* or a *non-electronic repeatable prescription* is issued.

161. A *health care professional* shall order any *home oxygen services* which are needed for the treatment of any patient who is receiving treatment under the Contract by issuing a *home oxygen order form*.

162. A *prescriber* may order drugs, medicines or *appliances* on a *repeatable prescription* only where the drugs, medicines or *appliances* are to be provided more than once.

163. In issuing any *non-electronic prescription form* or *non-electronic repeatable prescription* the *prescriber* shall:

163.1 sign the *prescription form* or *repeatable prescription* in ink in the *prescriber's* own handwriting, and not by means of a stamp, with the *prescriber's* initials, or forenames and surname; and

- 163.2 only sign the *prescription form* or *repeatable prescription* after particulars of the order have been inserted in the *prescription form* or *repeatable prescription*.
164. A *prescription form* or *repeatable prescription* shall not refer to any previous *prescription form* or *repeatable prescription*.
165. A separate *prescription form* or *repeatable prescription* shall be used for each patient, except where a bulk prescription is issued for a school or institution under clauses 207 to 209.
166. A *home oxygen order form* shall be signed by a *health care professional*.
167. Where a *prescriber* orders the drug buprenorphine or diazepam or a drug specified in Part 1 of Schedule 2 to the Misuse of Drugs Regulations 2001 (controlled drugs to which regulations 14 to 16, 16A, 18 to 21, 23, 26 and 27 of those Regulations apply) for supply by instalments for treating addiction to any drug specified in that Schedule, the *prescriber* shall:
- 167.1 use only the *prescription form* provided specially for the purposes of supply by instalments;
- 167.2 specify the number of instalments to be dispensed and the interval between each instalment; and
- 167.3 order only such quantity of the drug as provides treatment for a period not exceeding 14 days.
168. The *prescription form* provided specially for the purpose of supply by instalments shall not be used for any purpose other than ordering drugs in accordance with clause 167.
169. In an urgent case, a *prescriber* may request an *NHS pharmacist* to dispense a drug or medicine before a *prescription form* or *repeatable prescription* is issued or created, only if:
- 169.1 that drug or medicine is not a *Scheduled drug*;
- 169.2 the drug is not a controlled drug within the meaning of section 2 of the Misuse of Drugs Act 1971 (which relates to controlled drugs and their classification for the purposes of that Act), other than a drug which is for the time being specified in Part 1 of Schedule 4 (controlled drugs subject to the requirements of regulations 22, 23, 26 and 27) or Schedule 5 (controlled drugs excepted from the prohibition on importation, exportation and possession and subject to the

requirements of regulations 24 and 26) to the Misuse of Drugs Regulations 2001; and

169.3 the *prescriber* undertakes to:

169.3.1 provide the *NHS pharmacist*, within 72 hours beginning with the time of the request, with a *non-electronic prescription form* or *non-electronic repeatable prescription* completed in accordance with clause 163, or

169.3.2 transmit an *electronic prescription* by the *Electronic Prescription Service* within 72 hours, beginning with the time of the request.

170. In an urgent case, a *prescriber* may request an *NHS pharmacist* to dispense an *appliance* before a *prescription form* or *repeatable prescription* is issued or created, only if:

170.1 the *appliance* does not contain a *Scheduled drug* or a controlled drug within the meaning of section 2 of the Misuse of Drugs Act 1971 (which relates to controlled drugs and their classification for the purposes of that Act), other than a drug which is for the time being specified in Schedule 5 to the Misuse of Drugs Regulations 2001 (controlled drugs excepted from the prohibition on importation, exportation and possession and subject to the requirements of regulations 24 and 26);

170.2 where the *appliance* is a *restricted availability appliance*, the patient is a person or the *appliance* is for a purpose specified in the *Drug Tariff*; and

170.3 the *prescriber* undertakes to:

170.3.1 provide the *NHS pharmacist*, within 72 hours beginning with the time of the request, with a *non-electronic prescription form* or *non-electronic repeatable prescription* completed in accordance with clause 163; or

170.3.2 transmit an *electronic prescription* by the *Electronic Prescription Service* within 72 hours, beginning with the time of the request.

Electronic prescriptions

171. A *prescriber* may only order drugs, medicines or *appliances* by means of an *electronic prescription* if the prescription is not:

171.1 for a controlled drug within the meaning of the Misuse of Drugs Act 1971 (which relates to controlled drugs and their classification for the purposes of that Act), other than a drug which is for the time being specified in Schedules 2 to 5 to the Misuse of Drugs Regulations 2001; or

171.2 a bulk prescription issued for a school or institution under clauses 207 to 209.

172. If a *prescriber* orders a drug, medicine or *appliance* by means of an *electronic prescription*, the *prescriber* must issue the patient with:

172.1 subject to clause 174, an *EPS token*; and

172.2 if the patient, or where appropriate the patient's *authorised person*, so requests, a written record of the prescription that has been created.

173. On and after the Contractor's EPS go live date, if the order is eligible for *Electronic Prescription Service* use, the *prescriber* must ascertain if the patient, or where appropriate the patient's *authorised person*, wants to have the *electronic prescription* dispensed by a *nominated dispenser*.

174. The *prescriber* must not issue the patient with an *EPS token* if the patient, or where appropriate the patient's *authorised person*, wants to have the *electronic prescription* dispensed by a *nominated dispenser*.

175. A *health care professional* may not order *home oxygen services* by means of an *electronic prescription*.

Nomination of dispensers for the purposes of *electronic prescriptions*

176. If the Contractor is authorised to use the *Electronic Prescription Service* for its patients it must, if a patient, or where appropriate the patient's *authorised person*, so requests, enter into the particulars relating to that patient which are held in the Welsh Demographic Service managed by *Digital Health and Care Wales* or the Personal Demographic Service managed by NHS England:

176.1 where the patient does not have a *nominated dispenser*, the *dispenser* chosen by that patient or where appropriate the patient's *authorised person*; and

176.2 where the patient does have a *nominated dispenser*.

176.2.1 a replacement *dispenser*; or

176.2.2 a further *dispenser*,

chosen by that patient or where appropriate the patient's *authorised person*.

177. Clause 176.2.2 shall not apply if the number of the *nominated dispensers* would thereby exceed the maximum number permitted by the *Electronic Prescription Service*.

178. The Contractor:

178.1 shall not seek to persuade a patient or a patient's *authorised person* to nominate a *dispenser* recommended by the *prescriber* or the Contractor; and

178.2 shall, if asked by a patient or a patient's *authorised person* to recommend an *NHS pharmacist* whom the patient or the patient's *authorised person* might nominate as the patient's *dispenser*, provide the patient or, as the case may be, the patient's *authorised person* with the list given to the Contractor by the LHB containing all *NHS pharmacists* in the area who provide an *Electronic Prescription Service*.

179.1 satisfies the conditions in clause 180; and

179.2 has notified the LHB of its intention to provide *repeatable prescribing services* in accordance with clauses 181 and 182.

180. The conditions referred to in clause 179 are:

180.1 the Contractor has access to computer systems and software which enable it to issue *non-electronic repeatable prescriptions* and *batch issues*; and

180.2 the *practice premises* at which the *repeatable prescribing services* are to be provided are located in an area of the LHB in which there is also located the *premises* of at least one *NHS pharmacist* who has undertaken to provide, or has entered into an arrangement to provide, *repeat dispensing services*.

181.1 wishes to provide *repeatable prescribing services*;

181.2 intends to begin to provide those services from a date specified in the notification; and

181.3 satisfies the conditions in clause 184.

182. The date specified by the Contractor under clause 181.2 must be at least ten days after the date on which the notification specified in clause 179.2 is given.

183. Nothing in clauses 179 to 186 requires the Contractor or *prescriber* to provide *repeatable prescribing services* to any person.

184. A *prescriber* may only provide *repeatable prescribing services* to a person on a particular occasion if:

184.1 that person has agreed to receive such services on that occasion; and

184.2 the *prescriber* considers that it is clinically appropriate to provide such services to that person on that occasion.

185. The Contractor may not provide *repeatable prescribing services* to any person on its list of patients to whom any person specified in clause 186 is authorised or required by the LHB to provide *pharmaceutical services* in accordance with arrangements under section 80 (arrangements for pharmaceutical services) and section 86 (persons authorised to provide pharmaceutical services) of *the Act*.

186. The persons referred to in clause 185 are:

Repeatable prescriptions

187. A *prescriber* who issues a *non-electronic repeatable prescription* must at the same time issue the appropriate number of *batch issues*.
188. Where a *prescriber* wants to make a change to the type, quantity, strength or dosage of drugs, medicines or *appliances* ordered on a person's *repeatable prescription* the *prescriber* must:
- 188.1 in the case of a *non-electronic repeatable prescription*:
- 188.1.1 give notice to the person; and
- 188.1.2 make reasonable efforts to give notice to the *NHS pharmacist* providing *repeat dispensing services* to that person,

- 189.1.2 continue to receive *repeatable prescribing services*;
- 189.2 the *prescriber* has issued the person with a *non-electronic repeatable prescription* in place of the *electronic repeatable prescription*; or

192. Where the circumstances in clauses 191.1 to 191.3 apply in respect of a person, the *prescriber* must, as soon as possible, give notice to that person that their *repeatable prescription* must no longer be used to obtain *repeat dispensing services*.

200. Subject to clause 352.1.2 and 201, nothing in clauses 195 to 199 prevents a *medical practitioner*, in the course of treating a patient to whom this clause refers, from prescribing a drug, medicine or other substance or, as the case may be, a *restricted availability appliance* or a controlled drug within the meaning of section 2 of the Misuse of Drugs Act 1971 (which relates to controlled drugs and their classification for the purposes of that Act), for the treatment of that patient under a private arrangement.

230. Where the Contractor employs or engages the same person on more than one occasion within a period of 12 weeks, the Contractor may rely on the references provided on the first occasion, provided that those references are not more than a year old.

Verification of qualifications and competence

231. In addition to the duties imposed in clauses 216 to 230, before employing or engaging any person the Contractor shall:

231.1 comply with the *Pre-employment Checks Standards* in relation to that person;

431.2 instructing the Contractor to terminate the sub-contracting arrangements that give rise to the breach with immediate effect, and if it fails to comply with the instruction, the LHB must serve a notice in *writing* on the Contractor terminating the Contract forthwith.

Termination by the LHB: remedial notices and breach notices [DN: LHB WILL NEED TO REVIEW/TAILOR THESE PROVISIONS IN LIGHT OF ANY PROVISIONS/MECHANISMS INCLUDED IN SCHEDULE 7]

432. Where the Contractor has breached the Contract other than as specified in clauses 423 to 431 and the breach is capable of remedy, the LHB shall, before taking any action it is otherwise entitled to take by virtue of the Contract, serve a notice on the Contractor requiring it to remedy the breach (“remedial notice”).

433. A remedial notice shall specify:

435. Where the LHB is satisfied that the Contractor has not taken the required steps to remedy the breach by the end of the notice period, the LHB may terminate the Contract with effect from such date as the LHB may specify in a further notice to the Contractor.

436. Where the Contractor has breached the Contract other than as specified in clauses 423 to 431 and the breach is not capable of remedy, the LHB may serve notice on the Contractor requiring it not to repeat the breach (“breach notice”).

437. If, following a breach notice or a remedial notice, the Contractor:

437.1 repeats the breach that was the subject of the breach notice or the remedial notice; or

437.2 otherwise breaches the Contract resulting in either a remedial notice or a further breach notice,

the LHB may serve notice on the Contractor terminating the Contract with effect from such date as may be specified in that notice.

438. If the Contractor is in breach of any obligation and a breach notice or a remedial notice in respect of that default has been given to the Contractor, the LHB may (without prejudice to any other rights or remedies it may have) withhold or deduct monies which would otherwise be payable under the Contract in respect of that obligation which is the subject of the default.

Termination by the LHB: additional provisions specific to Contracts with bodies corporate

439. Where the Contractor is a body corporate, if the LHB becomes aware that the Contractor is carrying on any business which the LHB considers to be detrimental to the Contractor's performance of its obligations under the Contract:

439.1 the LHB shall be entitled to give notice to the Contractor requiring that it ceases carrying on that business before the end of a period of not less than 28 days beginning on the day on which the notice is given ("the notice period"); and

439.2 if the Contractor has not satisfied the LHB that it has ceased carrying on that business by the end of the notice period, the LHB may, by a further written notice, terminate the Contract forthwith or from such date as may be specified in the notice.

442. A notice given to the Contractor pursuant to clause 441 shall specify:

442.1 the date upon which the Contract is to be terminated; and

442.2 the LHB's reasons for considering that the change in the membership of the partnership is likely to have a serious adverse impact on the ability of the Contractor or the LHB to perform its obligations under the Contract.

Contract sanctions [DN: LHB WILL NEED TO REVIEW THESE PROVISIONS IN LIGHT OF ANY PROVISIONS/MECHANISMS INCLUDED IN SCHEDULE 7]

443. In clauses 444 to 447, "contract sanction" means:

443.1 termination or suspension of specified reciprocal obligations under the Contract; or

443.2 withholding or deducting monies otherwise payable under the Contract.

444. Where the LHB is entitled to terminate the Contract it may instead impose any of the contract sanctions if the LHB is reasonably satisfied that the contract sanction to be imposed is appropriate and proportionate to the circumstances giving rise to the LHB's entitlement to terminate the Contract.

445. If the LHB decides to impose a contract sanction, it must notify the Contractor in *writing* of the contract sanction that it proposes to impose, the date upon which that sanction is to be imposed and provide in that notice an explanation of the effect of the imposition of that sanction.

446. Where the LHB imposes a contract sanction, the Contractor shall provide all information and assistance to the LHB, throughout the period that the contract sanction applies, as the LHB may reasonably require.

447. Where the LHB imposes a contract sanction, the LHB shall be entitled to charge the Contractor the reasonable costs that the LHB has incurred in order to impose, or as a result of imposing, the contract sanction.

448. The termination of the Contract, for whatever reason, is without prejudice to the accrued rights of either Party under the Contract.

449. On the termination of the Contract for any reason (and in relation to clauses 449.2, 449.5 and to the extent specified in Schedule 10, also in advance of termination) the Contractor shall:

449.1 subject to the requirements of this clause and Schedule 10, cease performing any work or carrying out any obligations under the Contract;

449.2 co-operate with the LHB to enable any outstanding matters under the Contract to be dealt with or concluded in a satisfactory manner;

449.5 comply with the provisions in Schedule 10

and, for the avoidance of doubt, references to termination also include expiry of the Contract.

450. Subject to clauses 451 to 453 the LHB's obligation to make payments to the Contractor in accordance with the Contract shall cease on the date of termination of the Contract.

451. [DN: THE FOLLOWING PROVISIONS NEED TO BE REVIEWED/AMENDED IN LIGHT OF THE CONTENTS OF SCHEDULES 5 AND 10][On termination of the Contract for any reason, the LHB shall perform a reconciliation taking into account (among other things) any sums due from the Contractor to the LHB, and the payments made by the LHB to the Contractor and the extent to which the Contractor has performed the obligations under the Contract to which those payments relate. The LHB shall also, in the event that the Contractor has terminated the Contract pursuant to [clause 414] but has not performed its obligations under the Contract for the duration of the notice period (or such shorter period as the LHB and Contractor have agreed in *writing*), be entitled to reflect in the reconciliation any additional costs that the LHB has incurred in securing alternative services for the duration of that notice period. The LHB shall serve the Contractor with written details of the reconciliation as

soon as reasonably practicable, and in any event no later than 28 days after the termination of the Contract.

452. If the Contractor disputes the accuracy of the reconciliation, the Contractor may refer the dispute to the *NHS dispute resolution procedure* within 28 days beginning on the date on which the LHB served the Contractor with written details of the reconciliation. The Parties shall be bound by the determination of the dispute.

453. Each Party shall pay the other any monies due within three months of the date on which the LHB served the Contractor with written details of the reconciliation, or the conclusion of the *NHS dispute resolution procedure*, as the case may be.

454. Should the Contractor:

454.1 breach the Contract entitling the LHB to serve written notice on the Contractor terminating the Contract;

454.2 issue the LHB with notice of termination under clause 414 but cease to perform all or a material part of the *Services* before the expiry of the notice period;

454.3 issue the LHB with notice of termination under clause 414 but fail to perform the *Services* to the LHB's reasonable satisfaction during the notice period until the due termination date; or

454.4 otherwise cease to provide all or a material part of the *Services* without notice to the LHB in accordance with clause 414,

then, without prejudice to all other remedies available to the LHB, the LHB shall be entitled to engage replacement contractor(s) for the provision of all or part of the *Services* on such terms and conditions as the LHB sees fit and the Contractor shall immediately pay the LHB the cost of engaging the replacement contractor(s) together with all additional expenditure incurred by the LHB (including all management costs incurred by the LHB) throughout the remainder of the unexpired portion of the due notice period in the case of clauses 454.2 or 454.3, or in the case of clauses 454.1 or 454.4 for the full notice period (or for six months (if greater)). Further, upon request of the LHB, the Contractor will grant a licence to enable the replacement contractor(s) to access and use the *practice premises* free of charge for such period as the LHB may reasonably require and upon such further terms as the LHB may at its absolute discretion determine.]

455. The obligations contained in clauses 448 to 454 shall continue to apply notwithstanding the termination of the Contract.

458. On termination or expiry, in whole or in part, of this Contract (and to the extent specified in Schedule 10, in advance of termination) the provisions of Schedule 10 will apply and will continue to apply notwithstanding termination of the Contract.

[DN: SCHEDULE 10 IS CURRENTLY BLANK AND WILL NEED TO BE POPULATED BY THE LHB AS NEEDED, NOTING THE FINAL FORM OF THE TEXT IN CLAUSES 448 - 455. THE LHB SHOULD ALSO NOTE THAT IT WILL NEED TO INCLUDE ADDITIONAL PROVISIONS (EITHER IN SCHEDULE 10 IF CLAUSE 458 IS AMENDED TO ENSURE SCHEDULE 10 DOES NOT JUST APPLY ON EXIT, OR ELSEWHERE IN THE CONTRACT) IF THERE MAY ALSO BE A TRANSFER OF STAFF ON COMMENCEMENT, AND THE LHB WILL NEED TO BE PARTICULARLY CAREFUL (TAKING NOT JUST LEGAL ADVICE BUT ALSO SPECIALIST PENSION ADVICE) REGARDING THOSE PROVISIONS IF EITHER STAFF ARE TRANSFERRING FROM THE LHB TO THE CONTRACTOR AT THE COMMENCEMENT OF THIS CONTRACT OR STAFF HAVE PREVIOUSLY TRANSFERRED FROM THE NHS TO THE INCUMBENT OR A PREDECESSOR]

PART 20

FORCE MAJEURE

459. 460. On the occurrence of a *force majeure event*, the Affected Party must as soon as practicable:

460.1 inform the other Party in *writing* of such *force majeure event* including evidence of its effect on its obligations of the Affected Party and any action proposed to mitigate its effect; and

461. As soon as practicable, following such notification, the Parties shall consult with each other in good faith and use all reasonable endeavours to agree appropriate steps to mitigate the effects of the *force majeure event* and facilitate the continued performance of the Contract.

462. Unless the Affected Party complies in full with clauses 460 and 461, clause 459 shall not have the effect of absolving it from its obligations under this Contract. For the avoidance of doubt, any actions or omissions of either Party's personnel or any failures of either Party's systems, procedures, premises or equipment shall not be deemed to be circumstances or events beyond the reasonable control of the relevant party for the purposes of this clause, unless the cause of failure was beyond reasonable control.

463. If the Affected Party is delayed or prevented from performing its obligations and duties under the Contract for a continuous period of 3 months, then either Party may terminate this Contract by notice in *writing* within such period as is reasonable in the circumstances (which shall be no shorter than 28 days).

464. The termination shall not take effect at the end of the notice period if the Affected Party is able to resume performance of its obligations and duties under the Contract and the Parties agree in writing that the Contract should continue.
