I think its going to be fine if we can make it as later as possible in the first minster diary.

Maybe around 0400 pm on Friday.

Please let me know to pencil it down in our dairy.

Best,

Hello [REDACTED]

Thank you for coming back to me. Unfortunately, Saturday would be very difficult for the First Minister due to a number of other commitments in his diary. As we have already rearranged the First Minister's diary to accommodate a meeting on Friday, please can I ask if it would be possible to stick with this date? We can try to explore a slot in the afternoon if 10:30 is difficult for the Ambassador.

Best regards
