- (a) Includes from 1983 'gross indecency with a child'.
- (b) Figures exclude offences of criminal damage, value £20 and under, prior to 1998-99.
- (c) Includes from 1983 'trafficking in controlled drugs'.
- (d) In 1990 and 1996 in the 'other offences' category and 1999-2000 on the 'drug offences' category, offences cleared up in the current year may have been initially recorded in an earlier year, it can lead to apparent clear up rates of greater than 100 per cent.
- (e) Calendar year data up to and including 1997; financial year (1 April to 31 March) data from 1997-98 onwards.
- (f) A new offence group of 'drug offences' was created with effect from 1 April 1998. The offence of drug trafficking was previously included in the 'other offences' group. From 1 April 1998 the Counting Rules were revised with an expanded coverage of offences and the emphasis more on measurement of one crime per victim. All offences that are triable on indictment and triable either way are now included as are some summary offences which are closely linked to more serious offences. The changes mainly impact on the violence against the person, fraud and forgery, drug offences and 'other' offences groups.
- (g) New instructions, which clarify the detecting of crime, were introduced on 1 April 1999. These instructions provide more precise and rigorous criteria for securing a detection, with the underlying emphasis on the successful result of a police investigation. The most significant of these criteria is that there must be significant evidence to charge the suspect with a crime (whether or not a charge is actually imposed) so that, if given in court, it would be likely to result in a conviction. Detections obtained by the interview of a convicted prisoner are no longer included, and any detections where no further police action is taken generally have to be approved by a senior police officer or the Crown Prosecution Service.
- (h) Three of the Welsh forces introduced the principles of the National Crime Recording Standard in advance of its national implementation in April 2002. The standard will have the effect of increasing the number of crimes recorded, particularly in future years, and so will also affect calculated detection rates.

Offences recorded by the police is the main measure used to gauge the incidence of crime. However, because it does not measure crime directly it can give a misleading impression and has to be interpreted with care. Many offences are not reported to the police, whilst others are not recorded because of lack of evidence. Thus, changes in the numbers of offences recorded do not necessarily reflect changes in the levels of crime committed. There is some survey information available about the frequency with which people are the victims of crime but this is affected by unreliable responses.

- (c) Yn cynnwys o 1983 ymlaen 'delio mewn cyffuriau rheoledig'.
- (d) Ym 1990 a 1996 yn y categori 'troseddau eraill' a 1999-2000 ar y categori 'troseddau cyffuriau', gallai troseddau a gliriwyd yn y flwyddyn bresennol fod wedi cael eu cofnodi i ddechrau mewn blwyddyn gynharach, a gall arwain at gyfraddau clirio i bob golwg o fwy na 100 y cant.
- (e) Data'r flwyddyn galendr hyd at a chan gynnwys 1997; data'r flwyddyn ariannol (1 Ebrill hyd 31 Mawrth) o 1997-98 ymlaen.
- (f) Cafodd grŵp troseddau newydd o 'troseddau cyffuriau' ei greu gyda grym o 1 Ebrill 1998. Cynhwysid trosedd delio â chyffuriau gynt yn y grŵp 'troseddau eraill'. Ers 1 Ebrill 1998 diwygiwyd y Rheolau Cyfrif gan roi mwy o sylw i droseddau a mwy o bwyslais ar fesur un trosedd i bob dioddefwr. Mae'r holl droseddau y gellir eu rhoi ar brawf adeg ditiad ac y gellir eu rhoi ar brawf y naill ffordd neu'r llall ac felly hefyd rai troseddau ynadol a gysylltir yn agosach â throseddau mwy difrifol. Mae'r newidiadau yn effeithio yn bennaf ar y trais yn erbyn y person, twyll a ffugio, troseddau cyffuriau a grwpiau 'eraill' o drosedd.
- (g) Cyflwynwyd cyfarwyddiadau newydd, sy'n egluro'r ffordd y mae'r trosedd yn cael ei ddarganfod, ar 1 Ebrill 1999. Mae'r cyfarwyddiadau hyn yn darparu meini prawf mwy cywir a thrylwyr ar gyfer sicrhau darganfyddiad, gyda'r pwyslais sylfaenol ar ganlyniad llwyddiannus ymchwiliad gan yr heddlu. Y maen prawf pwysicaf ymhlith y meini prawf hyn yw bod rhaid cael tystiolaeth sylweddol i gyhuddo'r person a ddrwgdybir o drosedd (p'un a yw cyhuddiad yn cael ei orfodi neu beidio) fel y byddai'n debygol o arwain at gollfarn, pe bai'n cael ei roi yn y llys. Ni chynhwysir darganfyddiadau sy'n cael eu sicrhau drwy gyfnewid carcharor sydd wedi'i gollfarnu, a rhaid i ddarganfyddiadau lle nad yw'r heddlu yn gweithredu ymhellach gael eu cymeradwyo fel rheol gan swyddog hŷn yn yr heddlu neu Wasanaeth Erllyn y Goron.
- (h) Cyflwynodd tri awdurdod heddlu yng Nghymru egwyddorion y Safon Genedlaethol Cofnodi Troseddau cyn ei gweithredu'n genedlaethol ym mis Ebrill 2002. Effaith y safon fydd cynyddu nifer y troseddau a gofnodir, yn enwedig yn y blynyddoedd i ddod, a bydd yn effeithio felly ar y cyfraddau canfod amcangyfrifedig yn ogystal.

Troseddau a gofnodwyd gan yr heddlu yw'r prif gyfrwng a ddefnyddir i fesur amllder troseddau. Er hynny, gan nad yw'n mesur troseddu'n uniongyrchol mae'n gallu camarwain ac mae'n rhaid bod yn ofalus wrth ei ddehongli. Ni chaiff llawer o droseddau eu hadrodd i'r heddlu, tra na chaiff eraill eu cofnodi oherwydd diffyg tystiolaeth. Felly nid yw newidiadau yn y nifer o droseddau wedi'u cofnodi o anghenraid yn adlewyrchu newidiadau yn lefelau troseddau a gyflawnwyd. Mae rhywfaint o wybodaeth arolwg ar gael ynghylch pa mor aml y mae pobl yn dioddef troseddau ond mae ymatebion annibynadwy yn effeithio ar hyn.

How crimes are dealt with by the courts

Magistrates' Courts

The least serious cases are tried in the magistrates' courts

Crown Courts

Juries decide whether the accused is guilty or not at the Crown Court

Most people plead guilty

When an accused person appears in court he or she is asked whether they plead guilty or not guilty to the offence. The majority of people plead guilty and are then sentenced for the crime. If someone pleads guilty it can reduce their sentence by up to one third. If they plead not guilty there has to be a trial. A trial is to decide whether or not they are guilty. There are three types of offence, each dealt with in a different way by the courts. In 2001

- 72 per cent were the least serious **summary** offences (such as speeding and TV licence evasion)
- 26 per cent were **either-way** offences (such as burglary and other thefts)
- 2 per cent were the most serious **indictable-only** offences (such as rape and robbery)

Summary offences are tried and sentenced in the Magistrates' courts by either a legally qualified District Judge or, more usually, by a panel of lay magistrates. Lay magistrates are carefully selected volunteers from the local community who have the help of a legally qualified advisor when dealing with cases.

Either-way offences can be heard in either the Magistrates' Court or the Crown Court. This is because magistrates' sentencing powers are generally restricted to: a £5,000 fine, a community sentence, or a custodial sentence of up to six months. If this is not sufficient for the seriousness of the offence, the magistrates will send the accused to the Crown Court for sentence or trial. Even if the magistrates do not do this, the accused can currently choose to be tried in the Crown Court.

Indictable-only offences can only be tried and sentenced in the Crown Court. In a Crown Court trial, a jury of 12 members of the public decides whether the accused is guilty or not. If they are found guilty, a judge decides the sentence.

Pan fydd person cyhuddedig yn ymddangos gerbron llys gofynnir iddo/iddi a yw'n pledio'n euog neu'n ddiuog i'r drosedd. Mae'r mwyafrif o bobl yn pledio'n euog ac wedyn yn cael eu dedfrydu am y drosedd. Os bydd rhywun yn pledio'n euog gall leihau hyd at un rhan o dair ar eu dedfryd. Os bydd yn pledio'n ddiuog rhaid cael prawf. Diben prawf yw penderfynu a yw'n euog neu beidio. Mae yna dri math o drosedd, ac ymdrinnir â phob un o'r rhain yn wahanol gan y llysoedd. Ym 2000,

- 72y cant oedd y troseddau diannod lleiaf difrifol (megis goryrru ac osgoi talu'r drwydded deledu)

Caiff troseddau **diannod** eu rhoi ar brawf a'u dedfrydu yn y llysoedd ynadon gan Farnwr Rhanbarth sy'n gymwysedig yn y gyfraith neu, yn fwy arferol, gan banel o ynadon lleyg. Gwirfoddolwyr sydd wedi'u dewis yn ofalus o'r gymuned leol yw ynadon lleyg sy'n cael cymorth gan gynghorydd sy'n gymwysedig yn y gyfraith wrth ymdrin ag achosion.

Troseddau **ditiadwy yn unig**. Dim ond yn Llys y Goron y gellir rhoi'r troseddau hyn ar brawf a'u dedfrydu. Mewn prawf yn Llys y Goron, mae rheithgor o 12 aelod o'r cyhoedd yn penderfynu a yw'r person cyhuddedig yn euog neu beidio. Os byddir yn eu cael yn euog, barnwr sy'n penderfynu ar y ddedfryd.

Gellir gwrandao troseddau **y naill ffordd neu'r llall naill** ai yn y Llys Ynadon neu Lys y Goron, a hynny am fod pwerau dedfrydu ynadon wedi'u cyfyngu fel rheol i: dirwy o £5,000, dedfryd gymunedol, neu ddedfryd o garchar o hyd at chwe mis. Os nad yw hyn yn ddigon am ddifrifoldeb y drosedd, bydd yr ynadon yn anfon y person cyhuddedig i Lys y Goron am ddedfryd neu brawf. Hyd yn oed os na fydd yr ynadon yn gwneud hynny, gall y person cyhuddedig ddewis ar hyn o bryd gael ei roi ar brawf yn Llys y Goron.

(a) Almost all defendants appear initially at magistrates' courts. Those who later also appear at the Crown Court are included under both types of court if proceedings were completed in the same year. A number of indictable offences were reclassified as summary following the Criminal Justice Act 1988; these figures are not directly comparable with earlier years.

(b) Revised.

(c) Figures from 1987 are not comparable with those for earlier years as a result of the introduction of the 'Fixed Penalty Scheme' on 1 October 1986.

(d) In 1994, South Wales Police were not able to supply all the returns for summary proceedings within the required timescale. It is estimated that the shortfall comprised 8,900 proceedings for summary non-motoring offences and 13,600 proceedings for summary motoring offences.

Mae'r rheiny a fydd yn ymddangos yn ddiweddarach hefyd yn Llys y Goron wedi'u cynnwys o dan y ddau fath o lys os cwblhawyd yr achos yn ystod yr un flwyddyn. Cafodd nifer o droseddau ditiadwy eu hailddosbarthu fel troseddau ynadol yn dilyn Deddf Cyfiawnder Troseddol 1988; nid yw'r ffigurau hyn i'w cymharu'n uniongyrchol â'r blynyddoedd cynharach.

(c) Nid yw ffigurau o 1987 ymlaen i'w cymharu â'r rheiny ar gyfer y blynyddoedd cynharach oherwydd cyflwyno'r 'Cynllun Cosb Benodedig' ar 1 Hydref 1986.

(d) Ym 1994, ni lwyddodd Heddlu De Cymru i roi'r holl ffurflenni ar gyfer achosion ynadol o fewn y raddfa amser angenrheidiol. Amcangyfrifir bod y diffyg yn cynnwys 8,900 o achosion ynglŷn â throseddau ynadol heblaw troseddau moduro a 13,600 o achosion am droseddau moduro ynadol.

- (a) From 1979 the information is based on indictable offences as redefined by the Criminal Law Act 1977 and on a new counting procedure - see paragraphs 15-17 of Appendix 1 of Criminal Statistics, England and Wales, 1986 (Cm 233). A number of indictable offences were reclassified as summary following the Criminal Justice Act 1988; thus figures for 1989 onward are not directly comparable with earlier years.
- (b) Revised.
- (c) With effect from April 2001 probation order was known as community rehabilitation order, community service order as community punishment order and combination order as community punishment and rehabilitation order.
- (d) Reparation and Action plan order were introduced June 2000 and Drug treatment and testing order in October 2000.
- (e) Secure training order was introduced March 1998 and replaced by Detention and training order on April 2000.
- (f) Includes borstal training (abolished January 1983), detention centre orders and youth custody (both abolished October 1988).
- (g) From 1982 the figures include persons given a partly suspended sentence under Section 47 of the Criminal Law Act 1977 implemented on 29 March 1982, which were abolished in October 1992 under the Criminal Justice Act 1991.
- (h) Persons committed for sentence to the Higher Courts are included in 'Otherwise dealt with'.

- (a) Before 1 January 1972, the Higher Court were Assizes and Quarter Sessions. From 1979 the information is based on indictable offences as redefined by the Criminal Law Act 1977 and on a new counting procedure - see paragraphs 15-17 of Appendix 1 of Criminal Statistics, England and Wales, 1986 (Cm 233). A number of indictable offences were reclassified as summary following the Criminal Justice Act 1988; thus figures for 1989 onwards are not directly comparable with earlier years.
- (b) Revised.
- (c) With effect from April 2001 probation order was known as community rehabilitation order, community service order as community punishment order and combination order as community punishment and rehabilitation order.
- (d) Reparation and Action plan order were introduced June 2000 and Drug treatment and testing order in October 2000.
- (e) Secure training order was introduced March 1998 and replaced by Detention and training order on April 2000.

O 1979 mae'r wybodaeth yn seiliedig ar droseddau ditiadwy fel y cawsant eu hailddiffinio gan Ddeddf Cyfraith Droseddol 1977 ac ar drefn gyfrif newydd - gweler paragraffau 15-17 o Atodiad 1 Criminal Statistics, England and Wales, 1986 (Gorch 233). Cafodd nifer o droseddau ditiadwy eu hailddosbarthu fel troseddau ynadol yn dilyn Ddeddf Cyfiawnder Troseddol 1988; nid yw'r ffigurau hyn i'w cymharu'n uniongyrchol â'r blynyddoedd cynharach.

- (a) A number of indictable offences were reclassified as summary following the Criminal Justice Act 1988; thus figures for 1989 onwards are not directly comparable with earlier years.
- (b) In 1994, South Wales Police were not able to supply all the returns for summary proceedings within the required timescale. It is estimated that the shortfall comprised 8,900 proceedings for summary non-motoring offences and 13,600 proceedings for summary motoring offences.
- (c) Revised.
- (d) The introduction of the Extended Fixed Penalty System at 1 October 1986 reduced the number of motoring offences dealt with by prosecution.
